SUMMARY

I am a highly motivated and results-oriented individual pursuing graduation in Computer Science Engineering. With a strong foundation in programming and web technologies, I aim to leverage my analytical skills and problem-solving abilities in a dynamic technical environment. I possess effective communication and interpersonal skills, eager to contribute to a successful team

EDUCATION

Bachelor of Technology (B.Tech)

Shri Ram Group of Colleges, AKTU

📅 08/2021 - 05/2025   📍 Muzaffarnagar, Uttar Pradesh

PROJECTS

E-commerce Website

🔗 showflowe-commerce.vercel.app

Developed a responsive and feature-rich e-commerce website enabling seamless product browsing, filtering, and shopping cart functionality.

- Implemented secure user authentication using JWT, with separate user and admin access for dynamic content and inventory control.
- Built reusable React components and managed global state using Context API / Redux for consistent cart and user data handling.
- Designed an intuitive UI with Tailwind CSS, ensuring mobile-first responsiveness and smooth UX across devices.

Personal Portfolio

🔗 vansh-portfolioo.vercel.app

A personal website that highlights professional skills and projects

- Developed a personal portfolio to showcase skills, projects, and experiences
- Built using HTML & CSS with a responsive design and interactive elements

AutoFunds – AI-Powered Budget Assistant

🔗 autofunds.vercel.app

Developed a smart personal finance assistant that tracks expenses, offers budgeting tips, and generates personalized savings goals using OpenAI's GPT.

- Built an intuitive and responsive UI using React and Tailwind CSS to visualize expenses and financial insights clearly.
- Implemented user authentication, expense logging, and goal tracking using Node.js and Express for a secure backend.
- Used MongoDB to persist user data, categorized transactions, and dynamic financial plans.

KEY ACHIEVEMENTS

💎 **User Engagement Growth**

Increased Quiz User Engagement 25% in one month since launch.

💎 **User Base Growth**

Implemented refer-a-friend program, growing user base by 15% in six months.

💎 **Certification Excellence**

Achieved 100% completion rate for HTML and CSS certification.

💎 **Portfolio Site Traffic**

Developed portfolio site visited by 500+ users in two months.

SKILLS

Java	Javascript	CSS	HTML
Python	React	Visual Studio Code
Tailwind	MongoDB	Node.js
Express.js	Next.js	TypeScript
Git	Github	MySql	Vercel
